

"Save Our Hospitals" Cause Adopted By UKIP Devon

- **UKIP Devon has adopted the cause 'Save Our Hospitals'**. Please contact me if you have any suggestions or ideas about how the Totnes Branch can help to further this.
- **UKIP Totnes Branch is promoting 2 national email petitions**. Both are in line with pledges in our GE 2015 manifesto. You can help by signing – it takes less than one minute to do so - and sharing them with as many people as you can.

100,000 signatures may lead to parliamentary debate and legislation.

- a **Parliament petition 171221 calls for CCTV in UK slaughterhouses**
- b. **Parliament petition 173367 calls for reliable, renewable energy that delivers electricity at competitive prices**

If you are unable to find these petitions on your search engine let me know and I will forward them direct.

- A big thank you to Barbara in Brixham, Jan in Totnes and Mike in Kingsbridge who have also been helping me to collect signatures on the paper petition to Defra calling for CCTV in slaughter houses, and a further thank you to Jan for sponsoring car stickers calling for an end to the export of live animals for slaughter, which is another of UKIP's 2015 GE manifesto pledges
- Please keep forwarding the pdf 'Let's Love Brexit' It is one of the best pamphlets that UKIP has ever produced and an excellent recruitment tool. The Branch receives 50% of new members' joining fees providing that their application is processed through the branch – let's make it a New Year's resolution to double our membership this year.
- You should have received a letter before Christmas from our newly elected County Chairman, Penny Mills, outlining her plans for the year including the lunch at the Two Bridges Hotel with guest speaker Peter Whittle (Deputy Leader UKIP) on Sunday 12 February and a training workshop in Hatherleigh on 14 January. There were some admin issues so if you did not receive your copy let me know and I will email you one.
